

A Leader in Green Building

SUSTAINABILITY

99% of our eligible global core office area has achieved a sustainability designation.

Brookfield's commitment to green building standards extends beyond our buildings and planned developments to our workforce. Many of our property management professionals have sought out and secured personal LEED or NABERS certifications.

Green Initiatives

- ⚡ Energy reduction
- 💧 Water conservation
- ♻️ Recycling
- 🏠 Enhanced indoor air quality
- 🚶 Alternative transportation parking
